# Full icon set

Taking the guidelines made by the design agency - Cape Rock - I draw from srcratch a full icon set for the new Sunweb V5 platform with all the existing icons appearing on the old platform and the required new ones.

Challenge: upgrade the site with more stylish and modern icons

Brand	Sunweb
Timeline	2 sprints of 3 weeks (wireframing and drawing)
Research	Competitor analysis
Prototyping	Wireframes
Testing	-
Strategy	UI strategy
Visuals/UI	Extend from agency work
Result	Great feedback of the user
URL	www.sunweb.nl

*The icons designed initially for the web was chosen finally as official ones for the different AD's (tv, street opis, press...)
